Use your computer skills to help others in OA.
Become a . . .

"Designated Downloader" (DD)

and pass on information from the WSO and other OA websites.

You can do this valuable DD service for your local group, intergroup, service board, or region

One good source of downloads for a DD is:
www.oa.org/documents/

Many members of the OA Fellowship do not have access to computers. As a "Designated Downloader" or "DD" you can provide:

The Courier
A Step Ahead (ASA)
Service Body & Region Newsletters

Registration Forms
OA Literature Catalog/Order Form

. . . and more! Give it a try!
