Applicant's trademarks *must* be customized; the Applicant's service body name must appear below these approved OA trademarks.

When using the OA trademark, the Applicant agrees to adhere to the following policies:

Board Policies

Permission will not be granted to modify the OA logo.

Overeaters Anonymous, Inc. will permit the use of its logo in connection with official OA business of any group or service body of OA, provided that any material upon which the logo will be affixed includes the name of the service body (to distinguish such material from the materials of Overeaters Anonymous, Inc.), and provided that any such material is submitted in advance to the Corporate Secretary for approval. OA reserves the right to rescind any such permission given to use its logo, at any time, upon notice to any group or service body.

OA may grant permission for use of the OA logo by outside groups such as resource publications and referring websites, provided that such publications or websites are consistent with OA's mission of carrying our message of recovery to those suffering from compulsive eating or the consequences of such. The following statement will be required to accompany any such use by outside organizations: "Overeaters Anonymous does not endorse, nor is it affiliated with, [name of outside group]." The logo may be used for public information purposes only, and OA reserves the right to rescind any such permission given to use its logo, at any time, upon notice to any outside group.

Blanket permission: Any registered OA service body may apply for blanket permission to use the OA logo on any of its websites, flyers, posters, newsletters, meeting lists, stationery, and business cards for a two-year period from the date of the request under these conditions:

- a. Service bodies must fill out and submit a Request for Permission to Use the OA Logo form. A customized logo must be included with the permission request.
- b. The service body must submit a separate permission form for other uses to be considered.
- c. The service body must renew its logo permission before the expiration date.

Individual groups are not permitted blanket permission and must submit permission requests on a case-by-case basis.

Corporate Policies/Applicant Agreements

Except as herein provided, Applicant agrees to make no adaptation or changes of the trademark without the prior written consent of Overeaters Anonymous, Inc.

The Applicant agrees:

To use the trademark only in the above-mentioned manner(s).

To include the registration symbol (®) as part of the OA trademark(s).

To include on the line immediately below the trademark the name of the service body using the trademark, thereby creating a customized trademark. For example:

**OVEREATERS
ANONYMOUS®**
SERVICE BODY NAME

 **OVEREATERS
ANONYMOUS®**
Service body name
website/phone/oa.org *[optional]*

 **Service body name**
Contact information *[optional]*

The customized trademark must appear on all materials on which the Overeaters Anonymous trademark is placed.

Applicant will send to Overeaters Anonymous, Inc. one (1) sample depicting the customized trademark that the Applicant intends to place on materials (or the first such use of the customized trademark as it will appear) before publication and/or distribution of such materials.

If the customized trademark meets the above delineated criteria, permission to use the customized trademark will be sent to the Applicant in approximately ten (10) business days from the date that OA receives the complete Request for Permission form. Permission to use the customized trademark is for a term of two (2) years from the date permission is granted. After expiration of the term, Applicant must reapply for permission to use the customized trademark.

Once permission to use the customized trademark is granted, Applicant should provide to the OA World Service Office an inventory of use for the customized trademark on an annual basis during the two-year term. The annual report should be submitted by June 1 during each year for which permission to use a customized trademark is granted. The inventory of use should include a list of all materials on which the customized trademark appeared, and the date(s) on which the material was distributed. A sample of the material (or photocopy) showing the customized trademark thereon should accompany the inventory of use form.

General Agreements

We understand and agree that OVEREATERS ANONYMOUS, INC.® may terminate this permission at any time upon thirty (30) days' notice without cause, and immediately if we fail to comply with any term or condition hereof. Upon termination of the permission, we shall immediately discontinue further printing of the trademark. However, we shall have an additional period of six (6) months from the time the permission terminates within which to dispose of any copies of the trademark that we printed prior to such expiration, unless the termination of permission is caused by our violation of any provisions of this permission, in which event we shall be prohibited from disposing of any additional copies of the trademark. In the event that a service body is no longer registered with the WSO, permission to use the logo ceases immediately.

We understand that this agreement will be governed and construed under the laws of the State of New Mexico and the United States of America, and we consent to the jurisdiction of the State and Federal Court located in the State of New Mexico, USA, and waive any defense to such jurisdiction.
