Attention all delegates registered for WSBC 2020:

Your Board of Trustees and WSO staff have been doing our best to stay aware and advised of the ongoing COVID-19 pandemic.

We are still waiting on an extension of the current state of emergency notices, which are currently in place until April 10. Although we anticipate such an extension, there remains a possibility that the restrictions could also be lifted. We just don’t know and can only plan based on our current knowledge.

In anticipation of an extension, and having to then cancel the physical Conference, your Board of Trustees has agreed on the following plan. The business for this year will then entail only the election of trustees as follows:

The Board of Trustees presents the following method of conducting our 2020 election of trustees.

In the event that the State of New Mexico extends the emergency measures, travel bans, etc., the following procedure will take place for the election of trustees.

1) Upon the declaration from the State, the WSO will formally notify the Fellowship of the cancellation of the physical Conference in Albuquerque.
2) All delegates registered within 48 hours of that notification will be considered ‘present’ for the elections.
3) From this close of registration (Item #2), delegates will have a period of 72 hours to ask questions of the candidates. A limit of 10 questions will be asked.
4) At the end of the 72 hours, questions will be sent to the candidates, who will have 5 days to answer the questions.
5) The questions and responses will be collated and sent to delegates along with a link for voting via SurveyMonkey or a similar method.
6) Voting will end at midnight on the following day.

This notification is for information purposes ONLY. This procedure will ONLY be implemented if government regulations prohibit our present plans for WSBC. Additional instructions will follow.
