SPONSORSHIP SUCCESS ONLINE WORKSHOP

LEADER SCRIPT

INTRODUCTION: “Welcome to [name of intergroup/service body]’s Sponsorship Success Workshop. My name is _____. We have planned a virtual setting where you will hear four experienced members describe their sponsoring experiences.

Following this, you will be able to share your questions, concerns, and experiences in small breakout rooms with one of the speakers as your guide. The set of questions that the speakers will address are included in this packet and will loosely guide today’s discussions. They are included to help you examine the sponsoring experience in full, but feel free to bring up your own concerns as well. In the interest of time, there will be no breaks in today’s schedule, so get up for what you need as you wish.

Let’s begin with the Serenity Prayer. Please unmute if you wish to join me as I lead you slowly. *‘God, grant me the serenity to accept the things I cannot change, courage to change the things I can, and wisdom to know the difference.’*”

SPEAKERS AND SMALL GROUPS: “Speaker A is _____. You will have ten minutes to share and I will give you a two-minute warning. Afterward, we will break into small groups to discuss the questions labeled A.” *(Repeat process four times for approximately 10 minutes for each small group discussion)*

SHOUT OUT SESSION: “It’s time to shout out any take-away ideas from today that surprised you, informed you, or made you think. Please raise your hand to be called on.”

CLOSING: “Thank you for joining us in this virtual workshop experience. We have included a writing activity for you to do independently in order to strengthen your sponsoring experience. [Name of intergroup/service body] hopes to support your recoveries with workshops like these in the future. Please consider sending your Seventh Tradition donation and workshop evaluation to the address provided on the

evaluation page. We'll close with the OA Promise. Please unmute if you wish to join me as I lead you slowly.”

SPONSORSHIP SUCCESS ONLINE WORKSHOP

SPEAKER INFORMATION

Dear [name of speaker],

Thank you for doing service by being a speaker and discussion leader at the [name of intergroup/service body] Sponsorship Success Online Workshop. You have been chosen because you have experience as both a sponsor and a sponsee and have much to share with others. *We also have the goal of informing the Fellowship that there is material in our OA literature and podcasts that will enhance their sponsorship relationships.*

We ask that you prepare to speak for ten minutes on your experience as both a sponsor and a sponsee. You will be Speaker [insert A, B, C or D]. The discussion questions on the next page are only a suggestion to give you a guide to your talk.

You are also encouraged to share a quotation or an idea from OA literature or a podcast that supports your share. You may even want to hold up the literature you used.

After each speaker shares, you will join a breakout room (chosen by the workshop leader) and facilitate a ten-minute discussion of the questions listed. The questions are only a guide, if needed. We have also listed resources if you'd like to do further research before the workshop.

I am so grateful for your support of [name of intergroup/service body] and its events. If you have any questions or concerns, you can contact me at [contact email/phone number].

With my best,
