Re: World Service Business Conference 2021

Welcome to all delegates, members of the Board of Trustees, World Service Office staff, and volunteers planning to attend the 60th Annual World Service Business Conference (WSBC) of Overeaters Anonymous.

The year 2020 has been an amazingly unusual year. As we are planning for the upcoming WSBC, many things are the same and many more are going to be different. We have most of the usual activities planned at this time. Our theme is "Looking to the Future: One Day at a Time." To keep our perspective on our recovery, it is always helpful to keep things focused on one day at a time. And I have found this especially true in this unusual year; therefore, our theme seems as relevant today as it did in June when we were drafting theme ideas.

For an in-person WSBC, the Conference Planning Committee has many details in place: a tentative schedule, workshop topics, some volunteers. We are moving along very well. However, this is the year of the pandemic and we are also planning for a virtual WSBC 2021, if this becomes necessary.

On January 30, 2021, there will be a special meeting of the 2020 WSBC delegates for the purpose of approving a special motion to hold the Conference virtually. The Conference Planning Committee is currently working on the virtual option. If necessary, we will adapt many of the familiar activities, such as All About Conference, voting, center mic procedures, and questions.
