OA-Approved Literature List

■ Statement on Approved Literature (Business Conference Policy Manual, 2010a [Amended 2012])

“In accordance with our Traditions, we suggest that OA groups maintain unity and honor our Traditions by using, selling, and displaying only approved books and pamphlets at their meetings. This includes OA Conference- and board-approved literature; AA Conference-approved books, booklets, and all future editions thereof, with original edition copyright 2010 or earlier; and locally produced OA literature. Locally produced literature must be developed according to OA Guidelines for Locally Produced Literature, and should be used with the greatest discretion. Local literature should be considered temporary and discontinued when OA literature approved for general use is available to cover the topic.”

■ Statement on Literature That Is Not OA-Approved (Business Conference Policy Manual, 1993b [amended 2010])

“It is the group conscience of the 1993 World Service Business Conference that the sale or display of literature other than OA-approved literature and AA conference-approved literature (as described in WSBC Policy 2010a) is an implied endorsement of outside enterprises, and therefore in violation with Tradition Six.”

■ OA Conference-approved literature

This literature has been reviewed according to the procedures for granting the Conference Seal of Approval, and the Conference has agreed that the material has broad application to the Fellowship as a whole.
