Type of Project: Abstinence

Project Name: Twelve Steps to a Slip

Project Goal: To understand the seriousness of slipping, but with a bit of humor thrown in.

Organizing Service Body: SW Ontario IG, Windsor Ontario Canada, Region 5.

Contact Information: Bonnie, blewsaw@gosfieldtel.com

Resources Needed (budget, volunteers, materials, etc.): Access to a computer to type and print the "Twelve Steps to a Slip" (see attachment) on cardstock. The card, folded in half, is 4 1/2" wide and almost 3" in height. The front page has "Twelve Steps to a Slip", the OA symbol, the intergroup name, and the country, written on it. The back side is blank. When opened, the card is almost 4 1/2" wide and more than 5 1/2 " in height.

Additional Comments (including things of which to be mindful): The IG used this as a fundraiser for their delegate (WSBC) fund, selling them for $1 each, or 6 for $5. A suggestion was to use this card/these twelve steps to a slip, as a discussion tool for a meeting (possibly, during Twelfth-Step-Within Day).

Results: An eye opener in regards to slipping. Perhaps this will help us in keeping our abstinence!
TWO TELVE STEPS TO A SLIP

Every slip has a beginning. Know your danger signals.

1. Start missing meetings for any reason, real or imaginary.
2. Become critical of the methods used by other members who may not agree with you in everything.
3. Nurse the idea that someday, somehow, you can eat like ‘normal people’ again.
4. Let the other members do the 12th step work in your group. You are too busy.
5. Become conscious of your OA “seniority” and view every member with a skeptical eye.
6. Become so pleased with your own views of the program that you consider yourself an authority.
7. Start a small clique within your own group, composed of only a few members who see eye to eye with you.
8. Tell the new member in confidence that you yourself do not take ALL of the 12 steps seriously.
9. Let your mind dwell more and more on how much you are helping others, rather than on how much the OA program is helping you.
10. If an unfortunate member has a slip, drop them at once.
11. Graduate to the point of no longer needing a sponsor yourself.
12. Look upon a food plan as a vital thing for new members, but not for yourself. You outgrew the need for that long ago.
