Consent Agenda

**YES**

# Consent Agenda:

- ▶ A group of motions that are all passed with one vote with no debate or discussion.
- ▶ The purpose of the Consent Agenda is to save time. The chair decides what goes on this agenda.
- ▶ The motions were chosen for the Consent Agenda for housekeeping and because they are:
  - ▶ simple,
  - ▶ easy to understand, and
  - ▶ do not cause conflict.
- ▶ Read the Consent Agenda in the delegate binder before the meeting.
- ▶ The Consent Agenda needs a two-thirds vote to pass.

# Consent Agenda:

- ▶ Anyone may ask for a motion to be removed from the consent agenda. Reasons to remove might be:
    - ▶ they want to change the wording.
    - ▶ they want to ask questions about it.
    - ▶ they do not want the motion to pass.
  - ▶ To remove a motion from the Consent Agenda:
    - ▶ notify the chair by sending a note to the secretary.
    - ▶ go directly to the center mic and ask the chair to remove it.
    - ▶ The motion is then returned to the main agenda.
