# Emergency New Business

- ▶ Emergency New Business cannot be a bylaws amendment, only a motion for a new policy or change to an existing policy.
- ▶ If a delegate brings forward an idea that they believe must be talked about at this year's meeting:
  - ▶ The Conference Support Committee (CSC) desk has a form for Emergency New Business (ENB).
  - ▶ The form is completed and placed in the ENB box before 4:00 p.m. on Friday.
  - ▶ The delegate who submitted the motion attends the ENB session on Friday night to answer questions.
    - ▶ Unlike at the Reference Subcommittee meeting, the maker of the motion does *not* participate in debate of the motion at the ENB meeting.

# Emergency New Business

- ▶ To be considered ENB, the matter must be of an urgent nature that will impact OA as a whole.
  - ▶ After the Reference Subcommittee has addressed all ENB, the subcommittee will then address and formalize the ENB motions that will be presented at the business meeting on Saturday, *if time allows*.
