Board Reference Manual, Section IV – Finances, Part B-16 – Reduced Cost Literature

Service Body PI/Professional Outreach Committees may purchase literature through members of the Board of Trustees at a reduced cost when hosting health fairs/professional exhibits or distribution to professional groups. The reduced cost shall be calculated to be the higher of either: a) The actual cost of the literature, or b) 50% of the retail price. Literature shall be shipped and the actual cost of shipping shall be added to the order.

PROCEDURE:

1. The intergroup PI/ Professional Outreach Committee makes the request to its region trustee using the Reduced Cost Literature application.
2. The trustee verifies the event (when, where, how many attendees expected) and decides upon a reasonable amount of literature. Experience has shown that only 3 to 4 different literature items should be distributed in amounts up to 25 percent of projected attendees.
3. The trustee and the intergroup's PI/ Professional Outreach Committee together choose the literature. Recommended pieces are the *Courier* newsletter for professionals, also available on the OA Web site for download and copying, and no more than three pamphlets. Because of inventory cycles, an alternate pamphlet may be chosen in the event WSO does not have enough stock of a selected item.
4. The trustee contacts the World Service Office (WSO) controller to obtain pricing and availability information for the chosen literature.
5. Once the trustee approves the intergroup PI/ Professional Outreach Committee's request for literature (because of budget constraints, trustee approval is not guaranteed), the trustee places the order with the WSO. Only the trustee may place the order; the motion specifically states that the request must come through a board member.
6. The service body PI/ Professional Outreach Committee supplies their billing contact information to the WSO controller. Unless the committee pays with a credit card, the controller charges the region budget until other payment is received.
7. The WSO ships the order to the designated location.
8. The WSO requires a minimum of 30 days notification to guarantee timely delivery.
