

OA Intergroup or Service Board Inventory

It is suggested that a neutral, experienced OA member facilitate an inventory for a group or service body. Region boards can assist with finding members who can provide this type of support.

This inventory is divided into three parts:

- A. A look at the function of the intergroup or service board
- B. Twelfth Step work within the Fellowship
- C. Carrying the message to the still-suffering compulsive overeater

When you have completed the inventory, you will probably discover that your intergroup or service board has more strengths than you realized. After all, it takes commitment to be willing to do an inventory in the first place. You may also find some weaknesses. Just as in your personal recovery, appreciate your strengths. As for your weaknesses, remember that help is available to you from your region, your region trustee, and the World Service Office.

The following sets of questions are suggestions only. Their purpose is to evaluate the intergroup's/service board's present performance and to share some ideas about service from other intergroups/service boards.

Take a deep breath, and good luck!

Final Question

Are there other alternatives to the present intergroup/service board structure that might be more useful in meeting the area's needs? If so, what?

We all know, of course, how to identify dysfunction. So, it isn't so much an issue of not knowing there's a problem as it is about doing something. Being long on *wisdom*, do we opt for *serenity* or *courage*? Do we accept it or change it? Intervention or avoidance? If not you, who?
