

Thank You for Your Contributions! Our Fellowship is Strong!

As our Seventh Tradition guides us, OA is “fully self-supporting, declining outside contributions,” and your support is what makes OA’s world services possible. View the report to see how your group and/or service body contributed to carrying OA’s message of recovery. As you review this list we would like to remind you of the importance of notating any contributions from a group or service body with the service body and group numbers to ensure the contributions are correctly assigned. Any contribution that is not marked with these numbers is entered as an individual contribution rather than being assigned to the group.
