

## 58<sup>TH</sup> ANNUAL WORLD SERVICE BUSINESS CONFERENCE

Theme: *Growing Our Membership Worldwide*

May 6-11, 2019

### Delegate Registration Instructions

#### GENERAL INFORMATION

Delegate registration must be submitted on the **Delegate Registration form and signed by the chair of the service body**. Delegates must also sign the delegate registration form in the appropriate box affirming they are in compliance with Subpart B, Article X, Section 3c) 1 of the OA, Inc. Bylaws. (*Refer to Delegate/Alternate Qualifications below.*)

A US\$149 registration fee is required for each delegate listed on the Delegate Registration form. US\$20 of the registration fee is non-refundable. Refunds will not be given on or after **April 1, 2019**. Payment is required in US funds.

Bylaws stipulate that delegates and alternates shall be registered seventy days prior to Conference. Therefore, the registration deadline is **February 25, 2019**.

*NOTE: Service bodies may register delegates after the deadline date, but Conference information will not be available to the delegate until properly registered with the World Service Office (WSO.)*

All delegates **MUST** register for the Conference with the WSO. Returning delegates are **NOT** registered automatically.

All Conference information will be available for download through the OA website at <https://oa.org/members/events/world-service-business-conference/> under Frequently Used Documents. Documents will **NOT** be mailed.

#### ALTERNATES

Alternates may be registered by submitting their name to the World Service Office on the official Delegate Registration form under Alternate Registration. Payment is NOT required for alternate registration. Service bodies do not need to register alternates unless the alternate plans to attend the Conference. All registered alternates must also sign the Delegate Registration form in the appropriate box affirming they are in compliance with Subpart B, Article X, Section 3c) 1 of the OA, Inc. Bylaws.

If an alternate replaces a registered delegate, the World Service Office **must be immediately notified in writing** of the alternate's change of status.

Alternates do not receive Conference documents and are not given a delegate binder if they attend Conference. Alternates who choose to attend Conference **will only** receive the agenda and a badge. If the alternate replaces a registered delegate at Conference, the registered delegate's materials should be transferred to the alternate.

**DELEGATE/ALTERNATE QUALIFICATIONS**

Qualifications for selection of world service delegates/alternates shall be set by each intergroup, region (in the case of region delegates), or service board provided that each delegate/alternate shall have at least one year of current abstinence and at least two years of service beyond the group level. (Permission for any exception in qualifications for valid reasons, if deemed credible by the trustees, may be received by application to the World Service Office.)

**SERVICE BODY ATTENDANCE**

Each intergroup or service board is allowed one delegate for up to the first fifteen affiliated registered groups, and an additional delegate for each additional block of fifteen groups, or any fraction thereof.

Example:

- 1-15 registered groups = 1 delegate
- 16-30 registered groups = 2 delegates
- 31-45 registered groups = 3 delegates

Service boards shall not include registered groups that are also affiliated with an intergroup.

A region that was represented at the last WSBC by fewer than 40 percent of its intergroups and other eligible service bodies may send up to five additional delegates from the region. Preference shall be given to delegates selected from service bodies which would otherwise be represented by delegates. ***NOTE: Regions Five, Eight, Nine, and Ten were represented by fewer than 40 percent of its intergroups/service boards at WSBC 2018. Please check with your region trustee for assistance.***

The World Service Office makes the final determination of the number of delegates allowed each intergroup and service board based on affiliated groups properly registered with the WSO per the January Service Body Information Report.

To determine the number of registered groups for your intergroup or service board, log onto <https://oa.org/find-a-meeting/>, click on Find Service Body, and enter your 5-digit intergroup or service board number (ex. 09100) in the “Or Search by Your 5-Digit Intergroup/Service Board Number” field. This will populate a full list of registered groups for your intergroup or service board. Immediately notify the World Service Office if there are discrepancies in the number of registered groups. Group additions, deletions, or changes must be submitted to the WSO on the appropriate group registration form.

**BYLAW REQUIREMENTS**

In order to be a registered service body, the World Service Office must have information on all affiliated groups and must have a copy of the service body’s bylaws or statement of purpose.

Service bodies must be registered with the World Service Office thirty days prior to the Conference (**April 6, 2019**) for their delegate(s) to be seated at Conference.

The WSO will provide sample intergroup/service board bylaws for any service body requiring assistance in developing their bylaws.

### APPEALS PROCESS FOR SERVICE BODIES DENIED DELEGATE CREDENTIALS

Per WSBC Policy 2004b (Amended 2009, 2014, and 2018), it was adopted that:

Appeals process for service bodies denied credentials at WSBC because they do not meet the requirements of OA, Inc. Bylaws, Subpart B, Article X, Section 3c – Qualifications/Selection.

- 1) The World Service Office shall notify the service body of any challenges to delegate credentials within seven days of receipt of delegate information by the World Service Office.
- 2) The service body shall notify the World Service Office if it wishes to appeal denial of delegate credentials within fourteen days of this notification.
- 3) The Appeals Review Committee shall be composed of two members of the Board of Trustees (the BOT chair and one other trustee), two region chairs, and two representatives of the region bringing the appeal. It will be chaired by the BOT chair.
- 4) The Appeals Review Committee, via electronic communications, will collectively decide the final disposition of each appeal with a deadline of one month prior to the first session of the upcoming WSBC.

### COMMITTEE ASSIGNMENTS

Committee choices should be made by determining the needs of the service body and the particular talents the delegate can bring to the committee. **Per WSBC Policy 1991a, “Service on a committee is expected and the commitment is maintained until the following WSBC.”**

A maximum of thirty delegates will be assigned to each committee, not including the two cochairs. Committee assignments are made on a first come, first served basis. Please remember it is customary for those serving at the world service level to rotate committee assignments every two years.

***NOTE: The Conference-Approved Literature Committee (CLC) is a closed committee and assignments will be made by the cochairs. If you are interested in serving on the CLC, please make your selection on the Delegate Registration form and your information will be forwarded to the cochairs for review and approval.***

A list of committees and their statements of purpose are available on the OA website at <https://oa.org/members/events/world-service-business-conference/> under Frequently Used Documents. Delegates can make their committee selection on the Delegate Registration form.

### MENTOR PROGRAM

The Mentor Program was developed to connect delegates who are new or returning after more than ten years away (Green Dots) with recently returning delegates (Mentors) during the week of Conference. This program helps to address any concerns Green Dot delegates may have, such as general questions about Conference, what meetings to attend, how the business meetings operate, and what workshops to attend. All Green Dots will be automatically assigned to the program. To sign up as a Mentor, please complete the information on the Delegate Registration form.

**ROOMMATES**

If a delegate/alternate requires a roommate, the WSO will provide that delegate/alternate with a list of OA members who are looking for roommates. It is the delegate's/alternate's responsibility to contact the members on the list and to make the appropriate arrangements with the hotel. **The WSO does not make hotel reservations for delegates and alternates.**

To be placed on the roommate list, please contact Jeanette Romero, member services assistant, at [jromero@oa.org](mailto:jromero@oa.org) or 1-505-891-2664 and provide her with the contact name, arrival date, departure date, number of roommates, and any special requests.
