Please answer the following questions as completely as possible:

1. Has the service body/group looked at the *Digital Translations List* and confirmed that the literature has not been translated? (Find the *Digital Translations List* in the Document Library at oa.org under the category "Translation.")

2. Has the service body/group ever asked for translation funds from WSO? ☐ No ☐ Yes

If "Yes," when? _____

3. Please indicate which piece of literature/material you'd like to translate and into which language?

4. At what stage is your translation project now?

5. Which licenses have you applied for/received, if applicable?

6. When do you expect your translation to be completed?

7. What OA literature is currently available in your language? (Attach list if necessary)
